

Exemption certificates for COVID vaccination

The Ministry of Health has advised that COVID vaccination exemption certificates are only available to individuals who have:

- Anaphylaxis to the first dose of the vaccine
- Known severe allergy to the products in the vaccine
- Acute decompensated heart failure
- Inflammatory cardiac illness in the past 6 months
- Myocarditis, pericarditis, endocarditis
- Acute rheumatic fever
- Acute rheumatic heart disease

Please treat our clinicians with respect and kindness while we follow the advice formally provided by the Ministry of Health.
